

ICEV Update

June 23, 2006

- Construction activity at the Masjid site is progressing at full speed. Please visit the site from time to time to watch the progress with your own eyes. Allah willing, the Phase I construction work will be completed by the end of August, 2006. The table shown here lists the major construction milestones. If you want to know more about the construction activity please contact our architect, brother Afzal Ebrahim or our project manager, brother Arif Kazmi.

Exterior tile border	14-Aug
Tile roof	14-Aug
Stucco	18-Aug
Install doors	22-Aug
Paint exterior	24-Aug
Install bathroom accessories	28-Aug

- Current ICEV account balance is approximately \$185,000. Additional funds in the amount of approximately \$350,000 will be needed to complete payments for the first phase construction. A fund raising event is being planned to occur in the near future. In the meantime, please make good on your previous pledges and dig deeper in your resources to contribute more for this great cause of building Allah's house.
